BURLEY BROUGHT \$2,617,010.57 IN MORGAN IN 1954

County Received—
Average of \$53.34
Per Acre For Crop

Morgan county farmers produced \$2,617,010.57 worth of burley tobacco on 2,443 acres last year, Miss Gladys Nickell, office manager of the county ASC office, reported this week. The figures were compiled from sales memos received by the county office after the marketing season had closed.

Morgan's burley crop last year totaled 4,009,588 pounds and brought an average of \$53.34 a hundred.

Average yield thus was 2,009 pounds per acre.

Both the average price and the per acre yield in Morgan were considerably higher than the statewide average. Average yield per acre in Kentucky last year was slightly in excess of 1,650 pounds, and the average price was \$47.20 a hundred.

Miss Nickell's figures confirm that burley grown in Morgan is the type that cigarette manufacturers want since the Morgan crop brought an average of \$6.14 above the statewide average.

No figures are available on the amount of Morgan burley that was sold to the co-op at government support price but it is believed that very little Morgan burley went to the pool.

Last year's support price was \$46.60.

This year's support price will be \$46.40 if growers approve by a two-thirds vote the continuance of marketing quotas. The vote will be conducted April 28. There will be no support price on this year's crop if more than one-third of the growers vote against continuance of the marketing quota program.

Last year's income was an all-time record in Morgan county. The previous high income was in 1951 when \$2,392,258 was received for the crop.

23 POSTMASTERS IN DINNER MEET

Nearly half of Morgan county's 51 postmasters attended the first county-wide dinner meeting of postmasters in West Liberty last Friday evening at Stamper's dining room.

The meeting had been called by Mary Meadows, postmaster at Index and chairman of the county group. Wendell Nickell, West Liberty postmaster, presided as toastmaster. Twenty-three postmasters and five guests enjoyed a bountiful ham dinner and good fellowship at the meeting.

Prizes were given by Woodrow Stamper to the oldest postmaster and the youngest in the point of service. Mrs. Jasper Jones, postmaster at Insko with 23 years of service, won the first, and Mrs. Mattie Kennard, postmaster at Matthews with five months service, won the second.

The meeting was opened with the singing of "America," the pledge to the flag and all repeating the motto of the group, "Following the dream, Mrs. Meadows, chairman of the group, asked all Morgan postmasters to join the National Postmasters Association, and Wendell Nickell led a roundtable discussion of postal regulations and problems of the postmasters.

Then Mrs. Ova Amys, postmaster at Grassy Creek, led the group in singing two songs.

The committee on arrangements composed of Mrs. Meadows, Herbert Hammond of Cottle, Mr. Nickell, Mrs. Jewell Hanes of Malone, Mrs. Amyx and Mrs. Juanita Johnson of Pump, was instructed to arrange for a picnic meeting of Morgan county postmasters during the summer.

Those attending were: Wendell Nickell, West Liberty; Mary Meadows, Index; Herbert Hammond, Cottle; Lee Skaggs, Crockett; Joseph D. Allen, Gordon Ford; L. J. Kersey, Lenox; Elsworth Lacy, Cannel City; Chas. M. Walter, Jr., Nickell; Jasper Jones, Insko; Carl Benton, Cannel; Ova B. Amyx, Grassy Creek; Mattie Kennard, Matthews; Leola M. Kersey, Lenox; Maggie McClure (retired), Grassy Creek; Mrs. Herbert Hammond, Cottle; Ruby Elam, Logville; Mrs. Carl Benton, Cannel; Mrs. Ova Amyx, Grassy Creek; Miss Jewell Hanes, Malone; Mrs. Chas. M. Walter, Mrs. Clifflie M. Oldfield of Mize; Mrs. Amanda E. Smith of Jopha; Martha Kelly, Red Bush; Elia S. Brown, Relief; Nannie Holbrook, Blairs Mills; Lou Neva Skaggs, Elkfork; Pricie S. Jones, Insko.

RAPE FOR PASTURE

Rape makes good pasture for livestock, especially hogs, County Agent Carl W. Sinclair warns that rape, a legume, may cause cattle and sheep to bloat. For dairy cattle it may impart an odor to the milk. Rape requires a fertile soil and a cool growing season.

55,000 Trees Delivered To Morgan Countians; Tile Drainage Is Begun

By Berlyn Brown
Fifty-five thousand white and shortleaf pine, black locust and poplar were delivered to farmers in Morgan county recently. Several orders were not filled and orders returned.

Tile drainage systems have been laid out recently for the following farmers by Soil Conservation Service technicians working with the district: Arnel Hopkins and Winfred Kennard; Matthew, Clarence Smith, Jephtha; Charles Hutchinson, Lenox; Ida Lacy, Elanton; N. E. Henry, Insko; Kash Bache, Malone; Frank Ferguson, Elsie Lacy (4127 ft.); Bert Goveidon, Grassy Creek; Charlie Murphy, Roe Murphy and Dillard Murphy, Ezel; Polly Oakley and James Donohue, Paragon; Woodford May, Woodsbend; Taulbee, Adele, and Jim and Otto Pratt, White Oak.

There are still several requests on hand for tile drainage and they will be taken care of as soon as possible.

Rain, high water and bad weather in general this winter and early spring has delayed SCS personnel in surveying tile drainage requests. Again, though, I urge you to get your request in at least a month or more before you are ready to start digging. If you wait until a day or two before you are ready to start and then make your request, chances are you will be disappointed because we will be scheduled with some one else on the day you want your survey made. This advice also applies in the case of other practices such as ponds, open ditches, diversions, etc.

Seed Available
Ky 31 fescue and sericea seed are still available to farmers in the Red River watershed area in the Adele community at no cost to the farmer if he sows this seed according to specifications.

After a valiant seven-months fight for her life, Miss Lexie Rae Pieratt, 17, of Yocum, died last Friday in St. Joseph Hospital, Lexington, where she had been a patient a month.

Miss Pieratt had been ill since three days after she enrolled in the senior class at Morgan County high school here last fall, and had been confined to bed most of the time. Several days prior to her death she had submitted to surgery at St. Joseph Hospital for a disease of the liver.

Funeral rites were conducted Easter Sunday afternoon in the funeral home at Morgan at Morgan County high school here with Rev. Arnie Lewis of White Oak and Rev. Charles Hobbs of West Liberty officiating. Senior classmates of the deceased served as bearers and flower girls at the service. An assemblage estimated at between 600 and 700 attended the rites.

Burial was made in the Ezel cemetery under direction of Potter Funeral Home.

Surviving are the parents, Mr. and Mrs. Rasey (Ren) Pieratt of Yocum; her grandparents, Mr. and Mrs. Wade Quicksall of Middletown, Ohio, and a half-sister, Nelda Hivick of Middletown.

Merle W. Fowler, Sr., 59, of Irvine, Eastern Kentucky oil operator and former superintendent of the South Penn Oil Co. in Kentucky, died unexpectedly in Good Samaritan Hospital, Lexington, Monday.

Mr. Fowler worked in the Cannelville field in Morgan county from 1916 to 1918 and was well known here. His wife was Miss Pearl Carter, daughter of Mrs. A. C. Carter of Cannel City and the late Mr. Carter. Previous to serving as the superintendent of South Penn, Mr. Fowler was with the New Famine Oil and Gas Co. and had been identified with most of the oil and gas development in Eastern Kentucky for 30 years. He was a director of the Kentucky Oil and Gas Association.

Funeral was at Irvine Wednesday and burial was at Winchester.

He is survived by his wife, Mrs. Pearl Carter Fowler; a son, Dr. Merle W. Fowler, Jr., Paducah, Ky., and a sister, Mrs. Frank Hagaman, Louisa, Ky.

Spring Lambs Sell High
A few of the season's first spring lambs were sold on Kentucky markets last week for a top of \$28 a hundred pounds. Last year 191,455 spring lambs were sold on five Central Kentucky markets at an average of \$22.61 a hundred.

Fifteen farmers in Oldham are planning to grow wildfire-resistant burley tobacco WF-12-53.

MORGAN PROFITS BY NEW METHOD OF SETTING CUTS

Bases To Be Rounded
To Hundredths of An
Acre, ASC Announces

In figuring new burley acreage allotments, ASC officers hereafter will round off fractions to the nearest hundredth instead of the nearest tenth of an acre, the Kentucky ASC office announced this week.

This decision was made by the U. S. Department of Agriculture at the request of Senator Earle C. Clements and Kentucky Congressman John Watts. Clements and Watts explained to Secretary Benson that by rounding the fractions off to hundredths, rather than tenths, the allotments would be made more accurately and fairly.

They gave this example: Under the old setup, a one acre allotment would be cut under the 25% reduction to 7-tenths of an acre. This actually would be a 30% reduction due to the break of the fractions. But under the new system of rounding to the nearest hundredth, the one-acre allotment would be cut to 75-hundredths, or exactly 75%.

Thus Morgan county stands to save an estimated 40 to 90 acres of base as a result of the new system.

The 25% cut in bases as provided in the referendum to be conducted April 28 means that reductions will be cut according to the following fractions—

29 Present For MYF Meet Here Sunday

Several special songs were presented as a part of the Easter program given by MYF members at the group's regular meeting at six o'clock Sunday evening at the church. The singers were Anna Lee Nickell, Barbara Jane Stamper and Joy Ruth, accompanied by Irma Carol Stewart.

The singers have been invited to sing during the church worship hour Sunday morning.

Readings pertaining to the Easter season were given.

During the fellowship hour, refreshments were served by Mrs. Herbert Wells.

Those present were Nell Spears, Patty Straton, Nancy Gardner, Barbara Stamper, Joy Ruth, Anna Nickell, Betty Halsey, Pam Perry, Linda Emrick, Ollie Marie Nickell, Irma Stewart, Mary Janice Halsey, Madeleine Meyers, Helene Meyers, Donald McKenney, Asa Vest, Marling Potter, Joe Stacy Wells, Mark Gullett, Lawrence Turner, Billie Gardner, David Gullett, Lanny Franklin, Jim E. Caskey, Wanda Caskey, Rev. Robt. L. Meyers, Helen Price Stacy and Major Gardner.

WHAT THE FARMERS ARE SAYING

Jesse Vance of Cannel City: "The farmers had better vote to keep their tobacco program. To vote it out would ruin us."

Curt Elliott: "I believe the farmers will vote for it. They can't afford to lose the program."

Woodrow Williams: "Every farmer should vote yes. Why raise it if we can't sell it?"

Virgil Clevering of Pump: "I am 100 percent for keeping our tobacco program. It is the best thing to do. If it is turned loose we won't get anything."

Kelly Whit of White Oak: "I think all the farmers around here will vote for the program. We had better raise half an acre and get something for it than five acres and not sell it. I took a load to Covington before we had the program and got only 11 cents a pound."

French Cline of White Oak: "I am for the program. Why raise tobacco for nothing. If we lose the program we will never get it back. Some other place will get it."

Rev. M. B. Whit of Wrigley: "The farmers should vote for the tobacco program for their own interest."

Mountain Laurel Festival Queen candidate from Morehead College is Miss Glenn Lane, a sophomore. Miss Lane, daughter of Mr. and Mrs. Glenn W. Lane of Morehead, was Homecoming Queen at the college last fall. The festival queen competition will be held May 26, 27, and 28 at Pine Mountain State Park. One candidate from each college in Kentucky will compete for the Queen's crown.

Members of the Morgan County Medical Society including doctors and volunteers have been working with health department personnel and school officials to start the vaccination of first and second graders as soon as the vaccine is released.

Clinics have been planned at West Liberty and Ezel and school buses will run to bring first and second graders to the clinics to receive the free shots. But only children whose parents request the vaccine will be eligible to receive it at the clinics. Forms for parents to sign were distributed to parents of first and second graders through the schools a few weeks ago.

The first shot of the new vaccine will be administered April 25 at clinics at West Liberty and Ezel. The second shot will be administered at the same places three or four weeks later, the health department said.

Dr. Ralph Gullett will be in charge of the clinic in West Liberty and Dr. H. B. Murray will be in charge at Ezel.

Children from the following schools will go to the Ezel school: Ezel, Bonny, Woodsbend, Carter, Mize, Cockey, Park. Children from all the other schools will meet at the Morgan County high school.

When she was sixteen she joined the Christian church and was baptized by Rev. Morris Downing and was the oldest member of the Christian church at West Liberty. She has many relatives in Kansas and other places.

Her mother was Mrs. Fannie Scott of Owingsville, Ky.

Ashland Club Visits Morgan

"As You Think, So Are You" was the subject of an inspirational talk given by Ben Pratt at an inter-city meeting of the Ashland and West Liberty Kiwanis clubs held in Stamper's dining room in West Liberty Wednesday evening.

Eleven members of the Ashland club and two visitors attended the meeting, four of them native Morgan countians.

Ed Maddox, president of the Ashland club, presided. Thomas Burchett, Jr. led the group in singing and himself sang a solo, "O! Man River."

Mr. Pratt was introduced by Bonaston Steele, native of the Cannel section of Morgan. In his speech Mr. Pratt developed the theme that you are what you think. He contrasted the lives of Nero and Paul. "If one thinks on a low plane, like Nero, that he tends to become; and likewise if he thinks on a high plane like Paul, that he becomes," Mr. Pratt declared.

Ashland Kiwanians attending were Mr. Maddox, Mr. Pratt, Tom Burchett, Jr., J. P. Trout, Herb Bushelman, L. L. Zimmerman, Howard Dorman, Bronston Steele, Homer Radloff, Clyde Williams and Lloyd Cassidy. The last four are natives of Morgan.

Visitors were Wiley Christy and William Clay of Ashland.

TWO CLINICS TO GIVE NEW SALK VACCINE 25TH

Tuesday's official announcement that science has discovered a preventive for polio finds local health and school officials and volunteers prepared by several weeks of planning to take quick advantage of the Salk vaccine in Morgan county.

Preparations were started here several weeks ago for "Operation Vaccine" if the new Salk vaccine should prove an effective preventive.

The vaccine was declared to be 80 to 90 percent effective in preventing paralytic polio in tests last year, anxious parents were told Tuesday.

Dr. Jonas E. Salk, of Pittsburgh, said he is sure the vaccine is nearly 100 percent effective and can bring complete victory over polio, and end the threat and anxiety it causes every year.

Dr. Salk urged that children this year be given only two shots of vaccine in order to step up effectiveness of the vaccine. He said the shots should be spaced two to four weeks apart with the third one delayed for at least seven months afterwards.

Members of the Morgan County Medical Society including doctors and volunteers have been working with health department personnel and school officials to start the vaccination of first and second graders as soon as the vaccine is released.

Clinics have been planned at West Liberty and Ezel and school buses will run to bring first and second graders to the clinics to receive the free shots. But only children whose parents request the vaccine will be eligible to receive it at the clinics. MYF Host Program and Party Here Last Week

The Methodist Youth Fellowship sponsored a special Easter program at the local Methodist church last Saturday night.

Members made Easter baskets for the Dora Lee Children's Home. After presentation was led by Barbara Stamper. The baskets were taken to the children at the Dora Lee Home at Wonnies the following Sunday.

Members of the MYF want to thank the three students from Asbury College, Wilmore, for helping in the program. Walter Edwards preached an inspiring sermon; John Byard led in the song service, and prayer was by Harry Smith. They were accompanied by Lorene Fraley, Sandy Hook.

Miss Irma Carol Stewart was pianist.

Following the program the young people went to the high school gym for a party. Refreshments of sandwiches and cokes were served. Thirty-three guests attended.

The MYF would also like to thank Supt. Stewart and Prof. Patterson for use of the gym.

Burley Referendum Is Scheduled for Apr. 28

Farm Bureau Urges
Burley Growers To
Vote "Yes" On Cuts

LOUISVILLE, Ky., April 9—A 13-member committee, under sponsorship of Kentucky State Farm Bureau Federation, will urge tobacco growers to support the proposed cuts in marketing quotas and acreage allotments.

The referendum is scheduled tentatively for April 28. Two-thirds of those eligible to vote must approve the program before it becomes effective.

Prior to formation of the committee yesterday, Burly St. Clair, KFBF president, varied Kentucky's burley growers they stand to lose more than 100 million dollars a year if the program fails.

Joining him was W. L. Station, Lexington, executive secretary of the Burley Tobacco Growers Assn., who said controls and price supports must be voted to maintain prosperity.

Station pointed out that the average for the 10 years before controls and supports was 15 cents a pound for burley. During the last 10 years, when controls and supports have been in force, the average was 47.2 cents per pound, he added.

Earl May Dies In Tucson, Ariz.

Earl May, 62, president of the May Wholesale Grocery Company of West Liberty, died suddenly of a heart attack Monday afternoon in Tucson, Arizona, where he had spent the winter.

The body will arrive in Cincinnati Thursday and will be buried in West Liberty, West Liberty. Funeral rites will be conducted Saturday morning at 10 o'clock in the West Liberty Christian church with the pastor, Rev. J. Ryan Nevius and Rev. Harlan Murphy officiating.

Following the rites here, the remains will be taken to the White Oak Christian church for a short service after which interment will be made under direction of the West Liberty Funeral Home.

Mr. May was born at White Oak, a son of the late Mr. and Mrs. T. C. May. He had been associated with the May Grocery Company here for 24 years and had been president of the firm for 15 years. Mr. May and his father, the late T. C. May, and his brother, the late W. B. May, and Mrs. Lula Allen of White Oak purchased the business from Powell-Hackney Grocery Company and moved the business from Index to West Liberty 24 years ago. Mr. May had been president of the firm since the death of his father in 1940. He was well known through Morgan and adjoining counties and was one of the county's most respected and substantial citizens.

He is survived by his wife, Mrs. Hazel May; five sons, Robert, Hobart, Ova, Earl, Jr. and Philip; all of West Liberty; two daughters, Mrs. T. C. Roach and Miss Mary Evelyn May, both of West Liberty, and a sister, Mrs. Andrew Oldfield of Mize, and four grandchildren.

In ill health for a few years, Mr. May had been in Tucson, Arizona since last October. His son, Phillip, accompanied him, and Mrs. May joined him in Arizona three weeks ago and they had recently visited places of interest in Mexico. His health had improved considerably in recent months and his death was unexpected and proved a great shock here.

Licking Strawberry Co-op To Meet 15th

The board of directors of the Licking Valley Cooperative will meet at the Science building in Morehead Friday evening, April 15. They are going to decide who they want to sell their strawberries and green beans to and they will take up other business related to this year's marketing.

County Agent Carl W. Sinclair and representatives from Morgan county plan to attend the meeting.

New Control Program Calls For Further Cut Of About 13 Percent

WASHINGTON, Apr. 8—A 1955 burley tobacco control program conforming with recently enacted legislation was announced today by the Agriculture Department.

It calls for a further cut of about 13 percent from previously announced allotments. This would make a total reduction of about 23 percent from 1954 acreage.

The program will be submitted to a grower referendum on April 28. Voting will be from 8 a.m. to 5 p.m. (CST) in the referendum conducted by county and state Agricultural Stabilization and Conservation committees.

Elections will be held in each community, supervised by three farmer-committeemen who are eligible voters. The community groups will report results to the county offices which will in turn notify the state office of the outcome.

Producers who had an interest or shared in 1954 burley crops will be eligible to vote.

The referendum question reads: "Do you favor or oppose the reduction of national marketing quotas for the 1955 crop of burley tobacco with the government price support of 90 percent of parity?"

Revisions call for planting 320,000 acres instead of 369,000. The cut resulted from a larger than estimated surplus.

In the referendum, growers will vote on whether they favor federal marketing quotas based on the new allotments, with two-thirds of the votes needed to adopt the program.

The new allotments are figured to produce a burley crop of 415 million pounds at recent acreage yields. Last year's production was 665 million pounds.

Rejection of the program would remove controls from burley production. Price supports would end.

The department said all growers will be notified of their individual allotment prior to the referendum.

The burley supply situation presents a "serious surplus problem," the department said. It estimated the supply for the 1954-55 season was sufficient to fill all demands for 3 1/2 years although a supply for 2 2/3 years is considered adequate.

GAME CLUB WILL SPONSOR SHOOT

The Morgan County Fish and Game Club will sponsor a rifle and pistol shoot on the Everett Henry farm at Index Sunday, April 24. It was decided at a meeting of the club Tuesday night in the REA building.

A committee composed of Rex Maxey, chairman; Paul Cox and Dan Whit was named to raise funds to carry out a quail-raising program in the county this year, and the rifle and pistol shoot was the event decided upon to raise the funds.

The club will receive 250 day-old quail from the State Department of Fish and Wildlife Resources and must raise them to six weeks of age before they are released on farms. Money obtained from the shoot will be used to build brooders and purchase feed for the baby quail.

The shoot will commence at 9:30 a.m. and prizes of hams, electric clocks and cash will be awarded winners. Grand prize will be a single-shot 12 rifle.

MOCK WEDDING TO BE GIVEN AT HIGH SCHOOL
A "Mock Wedding" will be presented at the high school auditorium here next Wednesday afternoon at 2 o'clock. Extra-deep, Y-shaped block
Ford's deep-block construction provides a more rigid support for the crankshaft to help the engine run smoother and longer. Only Ford in its field uses this construction.

Short-stroke, low-friction design
With Ford's modern, short-stroke design, pistons travel a shorter distance for a given amount of car travel. This results in less friction, more available power from gas, longer engine life.

Highest torque in the low-price field
Torque is the twisting force that turns the rear wheels of your car. The greater the torque, the faster your engine responds to your commands. And the torque in Ford V-8 engines is the highest in its field.

Automatic Power Pilot
Exclusive to Ford engines, this completely integrated carburetion-ignition-combustion system works automatically to assure that the right gas mixture is ignited at the right instant and burned completely, to give you the most "Go."

Turbo-Wedge Combustion Chambers
The wedge shape of Ford combustion chambers causes faster, more complete combustion and more efficient conversion of gas into usable power.

Full-Flow Oil Filter
Unlike filters used in other low-priced cars, Ford's oil filter cleans all of the oil in your engine all of the time... for greater protection of vital parts.

18mm. Spark Plugs
These totally new plugs, exclusive with Ford in the low-price field, have an extra-wide gap between plug core and shell, which makes them resistant to formation of deposits up to three times longer.

When it comes to ordering a V-8, it stands to reason you want a proven V-8. And both Ford's 162-h.p. and 182-h.p. Y-block V-8's are just that... backed by Ford's 23-year experience building more V-8's than all other makers combined.

Unlike other V-8's on the road, Ford brings you Trigger-Torque power... power that can obey four times faster than you can wink! And only Ford has the years-ahead look of the Thunderbird... the smoother riding of Angle-Poised Ride... the gas-savings of the Automatic Power Pilot. Why not come in for your Test Drive today?

ANNOUNCING OUR NEW LOW-COST FUNERAL FINANCING TO THE PUBLIC

You no longer need to borrow money for cash funeral expense. We are now in position to finance your funerals. No matter how expensive or how low the funeral cost, it will suit your needs.

If you are a farmer, we can give to you a single payment Farmer's Plan, payable in 3, 6, 9 or 12 months when your tobacco crop is sold.

If you have a monthly income, we can offer you a 12, 15 or 18 months plan to pay monthly. Or we can give you a single payment plan to be paid when an estate has to be sold for funeral bills of old age pensioners.

Many are now using this plan and find it to be helpful and non-burdensome. In case of death of persons liable for the funeral expense, the balance is automatically paid up and leaves no burdens on those of the family that remain.

For further details on financing funerals, see—

VOTE FOR YOUR OWN INTEREST IN BURLEY REFERENDUM

The burley tobacco growers will have an important decision to make Thursday, April 28, if they wish to keep the present tobacco support price and control. Two-thirds of those voting must favor the program or there will be no support price on this year's crop.

During the ten years the price-support and marketing-quota program has been in effect, the average price paid for burley has been \$46.20. During the last year only \$16.50. An acre of tobacco then produced less than \$200. Under the support price program an acre has produced more than \$800 average.

Why grow four acres without support price when one acre will bring as much?

If we do not have the control and support price and with nearly four years' supply of burley in storage, farmers may be unable to sell at any price. The 25% acreage cut this year will soon absorb the surplus and the allotments may then be back where they were. If growers vote against the program, other states may get some

of our base allotment, and we might never get it back.

The new law has some very good features, especially regarding the sale of tobacco on the red card. Under the old law a man could plant an additional amount, pay 50% penalty and the next year get an additional base of 10% of what he grew and marketed on the red card. Under the new law he must pay a 75% penalty and cannot get a new base of 10%. No doubt the old law gave an added amount of tobacco and new bases which indirectly caused a reduction on all old bases. This point justifies every producer to vote for the new law.

There have often been all kinds of wild rumors floating about, such as some people receiving cuts and others getting an added base. The cuts are not given to anyone. Upon investigation we found that the two largest bases in the county are only 11 acres and these men live outside West Liberty and have the bases on the farm they bought. We heard that one man had a base of 27 acres on his farm, but we found he had only 1 and 2/3 acres. We also found that only a half dozen men in the county have more than five acres. So do not believe everything you hear, but vote for your own interest.

To vote against keeping the present tobacco program is unthinkable, as it would spell the ruin of not only the tobacco grower, but the merchant and all other business men as well, with the present surplus on hand manufacturers could buy your crops for whatever they chose to pay, 20 cents a pound or even less—or, if they chose, they could decline to buy the 1955 crop at any price.

If the control program is approved by a two-thirds majority, growers are assured price support at \$46.20 per hundred pounds for their 1955 crop.

Tobacco growers have it in their own hands to vote in favor of continued prosperity or go back to the days of 20-cent tobacco—or maybe even less. Such a decision would mean ruin to a wide area of our country and we cannot conceive of any right-thinking man voting against a program which has meant so much to the tobacco growers and business men generally.

DON'T FAIL TO VOTE ON APRIL 28 and see that your neighbor does likewise. Do not be misled in thinking you can get a fair price without the control program—IT IS IMPOSSIBLE.

GRASSY CREEK— J. M.'S TATERS IN THE GROUND

GRASSY CREEK, April 5—Well, we got our taters planted anyhow.

It was a beautiful time for the people to enjoy Easter, and no doubt more families were back in their old environments than usual, but we couldn't get out to gather the names of all the many who were back at Old Grassy Creek.

Mr. and Mrs. Orison Cannoy, Scranton, Mr. and Mrs. Ellis Payne of Ironton, Ohio, Nina Gevedon of Ashland and Mr. and Mrs. Junior Elam, West Liberty, were back at the old home for dinner with us. Bert Gevedon and family, James Gevedon and family of Dayton, O. and Mr. and Mrs. Estill Gevedon were with us in the afternoon.

Mrs. Harold Gevedon, Kathy and Rebecca, the Junior Gevedon family and the James Gevedon family, all of Dayton, O., were back home for Easter, got with the Estill Gevedons and all took dinner with the Paul Gevedons of N. Well. We didn't inquire if there were any other Gevedons there.

Mr. and Mrs. H. L. Gevedon of Greer and Mr. and Mrs. Gerald Gevedon and family of West Liberty spent Easter with the J. W. Haney's. The Gerald Gevedons are building a home near the Haney residence.

Mrs. Bert Gevedon was in the Murray hospital Monday taking treatment for an infected eye. The Edward Adams family visited their folks at Greer Sunday, and were accompanied home by Mr. and Mrs. Merph Allen.

Courtesy Murphy and Harry Jones were on the branch on business Monday afternoon.

Mr. and Mrs. J. F. Gevedon visited last week with their children in Ohio and Indiana. Mrs. Sam Ferguson of Glenview was here to spend Easter with her parents, the J. F. Gevedons.

OBITUARY

MRS. RUSSELL HILTON

Mrs. Sally Hilton, 64, of Holden, W. Va., died March 27 in a Holden hospital.

Mrs. Hilton is survived by her husband, Russell; two sons, Joseph Don Hilton of Monaca and Russell Hilton, Jr. of Holden; two daughters, Mrs. Nestle Hilton of Ashton and Mrs. Vaughn Evans of Holden; seven sisters, Mrs. A. M. Baldwin and Mrs. Tilmor Workman, both of Verdunville, W. Va., Mrs. Will Browning of Harts, W. Va., Mrs. Herbert Hager of Holden, Mrs. Tom Dingess and Mrs. Oscar Samson, both of Mt. Gay, W. Va., and Mrs. Haskell Bryant, of Cleveland, O.; a brother, Enoch Curry of Wilkinson, W. Va.; 14 grandchildren and six great-grandchildren.

Services for Mrs. Hilton, who was a member of the Daughters of the American Revolution, the Rebecca Lodge and the Iphian Sisters, were conducted at the Copperas Community church of 7 and 8 Holden by the Rev. Harrison Maynard. Burial was in Forest Lawn cemetery near Logan, W. Va.

WILLIAM THOMAS DAVIS

William Thomas Davis, born in Morgan county March 21, 1895, died last Saturday morning at 4 a.m. April 9, 1955, in the Methodist hospital at Pikeville. He was seriously burned in a gas well explosion March 31 near Pikeville.

Mr. Davis was an oil and gas well contractor, having been in the oil and gas business for many years in Eastern Kentucky. At one time he was associated with his brother-in-law, A. F. Garver of Lexington.

He was the son of Alfred and Lucy Reed Kilgore Davis, who were natives of Morgan county, and was first married to Miss Frances Lewis of Morgan county, who preceded him in death January 28, 1947.

He is survived by his wife, Mrs. Virginia Sloan Davis, and two sons, Dr. William Alvin Davis, of Dante, Va., and James Edwin Davis of Pikeville, who was associated with his father in business, and three grandchildren, William, Douglas, and Stephen Davis; two sisters, Mrs. W. T. Congleton and Mrs. A. F. Garver of Lexington.

Funeral was conducted in Pikeville Tuesday morning and burial was in the family lot in Lexington.

RETURN FROM CALIFORNIA

The Rev. and Mrs. Robert McClure returned April 10 from a four and a half month visit with their children in California, Arizona and Ohio. We visited with Talmadge, Pearl and two little girls, Terri and Karren. Talmadge is employed with the Oldsmobile company and likes his job fine. We then visited Charlie, Olive and Sandy in Concord, Calif. Charlie was in most of the three weeks we were there. He will be out of the Navy in two more years which will finish his 20 year career. They have a nice modern home. Olive has her own beauty salon. While there we were invited out to dinner with a fine Japanese family at Oakland, Calif. We visited several places of interest including San Francisco, Long Beach, Los Angeles, Beverly Hills, Hollywood. The most interesting of all was Forest Lawn, where we saw the Last Supper portrayed and Crucifixion of Christ. We saw the Pasadena Tournament of Roses parade, five miles long. Before we left Talmadge's we were invited out to visit with Mr. and Mrs. Bill Griggs and her mother, Mrs. Naunne Adams of West Liberty. They live in Arcadia and have a beautiful modern home.

On our way home we visited 10 days with our son, Eugene and wife in Phoenix, Ariz. They live in Phoenix. Eugene has been promoted to district manager of Oldsmobile Division. We left Arizona for Ohio and spent one month with our daughter, Lula and husband Walter Herweh. They have two grandchildren, Greg and Pam.

Rev. and Mrs. R. V. McClure

TO THE EX-SERVICE MEN AND WOMEN OF MORGAN COUNTY

There has been legislation introduced and pending in Congress, that will take away several of the rights that veterans now enjoy and even to place them in the same line with everyone in Social Security.

The American Legion is trying to get 600,000 members out of the 2,000,000 eligible, and the Veterans of Foreign Wars is trying to get 2,000,000 so that they can put up a good fight in Congress to protect the veteran benefits.

Any veteran who has been discharged or discharged from the American Legion by paying \$3.50 dues, and will receive the Legion publications.

Any veteran that saw foreign service, that was three miles out from the continental boundary of the United States whether he is discharged or still in the service, may join Veterans of Foreign Wars. New members pay \$3.50 the first year and \$3.50 thereafter, then on.

We are writing members so that Morgan County will be shown as doing their part.

REVIVAL IN OHIO

Rev. and Mrs. R. V. McClure conducted a revival in Middletown before returning from Ohio, where they stopped enroute home from California. They visited with Rev. and Mrs. Curt Walters at Yankee Road, Rev. Walters is pastor of First Church of God on Yankee Road. The meeting there continued two weeks. Twenty came to the altar for consecration, renewals and healing. Rev. Walters and Rev. McClure have preached together for 35 years and this made the eighty-third revival Rev. McClure conducted for Walters in Middletown.

While there the McClures visited Mr. and Mrs. Winfred Gevedon, Cora Robert, Volie Patrick, P. W. Moore and wife and M. and Mrs. Edith Lausaw.

The McClures wish to thank everyone for their kindness and are to conduct a revival if those wanting one will contact them.

Morgan County Farm Home of the Week

PLANNED FOR A YOUNG FAMILY

On a small budget you can have a comfortable, convenient home. The low cost of this Farm and Ranch House is accomplished by a combination of things. For instance, the interior walls by the bedrooms are formed by the closets, which actually serve as partitions. Where it usually takes 3,000 square feet of wall-board to build the inside walls in most homes, less than 1,000 square feet are required to cover the interior walls of this house. These low-cost walls can be provided by using only the type of roof framing which we specify. This roof framing is such that the exterior walls can be erected and a goodly portion of the inside finish completed before putting in the partition walls. The exterior walls carry the entire weight of the house.

The main portion of the house can be built first, then the garage

and space for a washing machine may be added later. Some cost has been cut by using a box-type construction for the garage. This arrangement also gives a pleasant change in texture that often is found in modern homes.

We have further reduced the cost by suggesting the use of a double wall cement asbestos flue instead of the conventional brick chimney. This flue is very satisfactory and can be conveniently supported by the roof structure. Steel casement windows are used in order to reduce maintenance cost as much as possible.

The rooms in the house are very conveniently arranged. See how handy the bathroom is to the bedrooms and kitchen—and all the house! And note the large closets.

The kitchen is so arranged that there need be no traffic across the work area.

You can obtain blueprints for this Farm & Ranch House Plan No. 5142 and a handy list of materials by which you can figure your construction cost accurately. Steel casement windows are used in order to reduce maintenance cost as much as possible.

Order by number—plan number 5142. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

Morgan Needy Got \$27,121 In March

FRANKFORT, Ky., April 11—Resident of Morgan county received \$27,121 last month under Kentucky's three public assistance programs, old age assistance and aid to the needy blind and dependent children, it was announced today by Commissioner of Economic Security V. E. Barnes.

These payments were listed:

Old age assistance, \$15,269; Aid to Dependent Children, \$10,323; and Aid to the Needy Blind, \$1,529.

A total outlay of \$3,250,798 for the three categories of aid was distributed last month, with old age grants totaling \$1,958,027; dependent children payments \$1,184,541; and needy blind payments \$106,230.

FISHING NEWS

Bernard Whitt, Fishing Editor

The fishing editor has been sick for a few days and his physician, Dr. Alec Spencer, said for him to stay away from the damp river bank and also his pastor, Rev. Joe Nevius said that it was wrong to fish on Sunday when he should be in Sunday school and church, further that he believed fishing stories should hold to the truth same as in other stories. Please be advised that when you tell or send in fishing stories say nothing about Sunday and the truth.

Wendall Nickell caught three large bass last week.

Chalmers Allen fished one day last week in Elkfork and caught 7 bass, two of which were turtles. Air weights 35 pounds.

Henry Stacy caught 27 fish last Monday and the day before, 1 mile from town. His nephew, Mike Price, age 5, said, "Uncle Henry got 15 and I got 1."

Earl Kinner, publisher of the Courier and News, borrowed a brace and bit supposedly to use working on a boat for fishing purposes. It has also developed that he discovered a wonderful place for a 4-H camp. The site meets all requirements for a 4-H camp. Details are secret at present but will be announced.

Chalmers Allen caught 5 large bass last week.

Tom Wells caught three suckers at the Big Rock below town the day after Saturday.

Bernard E. Whitt caught one large bass at the Big Rock. Forget just what day.

Joe Allen was in town Tuesday. Said he had not seen the Big Catfish yet. But that he was in favor of keeping our tobacco program.

Herbert and Henry Clay Haney of Lacy Creek caught either four or five fish last Saturday. Bonny Haney who works at the Courier said they were either 11 or 12 inches long.

Choliza Helton of West Liberty caught a silver carp or a drum if it was not a carp it was a drum. Judge Helton, his brother, said that it was about 23 inches long and weighed 10 1/2 pounds. Judge says there are only three carps in the Licking—mud carp, silver carp and drum carp, adding that the drum carp is the best.

A fishing boat has been docked in front of Dr. Alec Spencer's house here for about a week. It suddenly disappeared Wednesday night.

Calvert Is Nominated To Promotion Group

Springtime in the Hills of Kentucky

By GLADYS WHEELER

the bend,
A tiny footpath leading without
end,
Stretching quietly beyond the
bend,
Through a gentle wood,
A truant fire . . .

In the springtime hours, the meadowland calls a welcome; and begging a bouquet of dandelion alder-tassels, we—you and I—venture ahead through a host of awakening grasses and sweet fern. Running with the breeze are velvet shod nymphs and dancing pixies, and everywhere the hundreds of buttercups are busy polishing their golden vessels for the bees that will be coming to fill their honey pails.

The footpath leads toward the ancient stream, and brushing beside a "pussy willow" we follow to stroll among its reedies. Tucked near the edge of the clear mountain water, where moss clad pebbles break through the surface, ripples hint at some lively innately thing. Kneeling, we marvel at the teeming iridescent tadpoles; some, having already dropped their tails to become tiny frogs, are shyly performing their first leaps across the ooze sand.

Stepping on stones not too trustworthy, we cross the sparkling stream and approach the south hill. The tiny footpath races off up the hillside and we climb up the sunny slope. Wild flowers are stemming up through last year's blanket of leaves. Out to greet us are Trillium and Adonis Tongue of the lily family, and Jack-in-the-pulpit from the Arum family. With them are

Trailing Arbutus of the Heath family and delicate Anemones of the Purslane family. Standing daintily beside the elegantly dressed Dutchman's Breeches is frail Bloodroot of the Poppy family, and further on, delightful baby Bluets of the Madder family huddle together. The tiny path hasten on and into the woods.

At intervals, through the fresh green of the forest, sun's streamers dip through the lacy web of birch and maple and satiny-sourwood to trace a pattern over the soil. We see the curious rosin twists in colors of rich brown.

Stretching quietly beyond the bend . . .

Assistance Payments Show Big Increase

FRANKFORT, Ky., March 28—Kentucky has made rapid strides in its public assistance program during the last eight years, with average payments in each category of assistance being raised from upwards of 100 per cent almost 200 percent, it was reported today by Commissioner of Economic Security Vego E. Barnes.

The period from September 1946 to September 1954, shows average monthly payments for old age assistance being raised from \$12.02 to \$35.13; aid to needy blind payments, increasing from an average of \$13.34 to \$36.93 a month, and aid to dependent children from \$11.21 to \$23.60 a child (or from \$29.29 to \$61.79 for each family).

The improvement is even more evident in the range and distribution of payments, the Research and Statistics Service of the Department reported.

In September, 1946, 98.5 per cent of payments to the aged were \$20 or less a month, with 31.3 per cent less than \$10.

By September 1954 only 7.4 per cent were \$10 or less. The maximum payments in 1948 were \$30, of which only 82 recipients were beneficiaries. The present maximum is \$55 a month, with 3,756 persons receiving this amount.

The aid to the needy blind program, in which 5.4 per cent of the recipients drew more than \$20 in 1946, now finds 97.2 per cent drawing more than this sum.

Average payments to a single child family in 1946 were \$15.73, and in 1954, \$36.90. For the same period, average payments for two child families increased from \$25.51 to \$54.69 and for three-child families from \$34.03 to \$70.04.

Sunday dinner guests of Mr. and Mrs. Tommie Brooks were Mr. and Mrs. Emal Adams and children of Cannel City, Mr. and Mrs. Chalmers Adams and children of War Creek.

Those attending the egg hunt at Tommie Brooks Sunday were Mr. and Mrs. Chess Dyer, Jerry Dyer, Darrell and Lexie Adams, Louise Barker, Shirley, Phyllis and Garland Patrick, Mr. and Mrs. Chalmers Adams and children, Earnie, Rodney and Sheila, Mr. and Mrs. Emal Adams and children, John, Veanda, Lawrence, Gary, Mr. and Mrs. Henry Brooks, Mr. and Mrs. H. B. Cottle and children, Brenda, Linda, Glenda and Burns.
